Highlights

Among District's successes are:

The Weiser School District provides the KED (Kindergarten Every Day) program for students who are not yet performing at grade level. Nearly 20% of each kindergarten class attends school every day in an effort to improve their skills and give them a good start.

Grade 4 and 5 classrooms and some of the Middle School classes are using a system of instructional delivery called CPS (Classroom Performance System). Interactive lessons are projected on a large screen in each classroom from the teacher's computer. Students use handheld 'clickers' to answer questions and participate in the lively interaction of the lesson.

90% of the Park School 4th graders were proficient on the Idaho Standards and Achievement Test (ISAT).

Progress Towards Meeting Goals

2005-06 Goals

Progress

Align instruction and assessment with a standards based curriculum and evaluate the effectiveness of the curriculum in promoting student learning and achievement.

Staff and administration use the state content standards to guide instruction. Extended learning opportunities are provided before school, after school and in the summer.

Provide a highly trained and motivated staff that works together to set high academic standards for all students, regardless of their circumstances.

All staff members are certified for the subject and level they teach. Each summer at least 30% of the instructional staff participates in a Summer Institute studying assessment results and instructional practices and plans.

Provide a safe and respectful learning environment for all members of our learning community.

The administration and staff meet weekly to assess the learning environment and develop plans to improve student behavior and achievement. Poor behavior will not interfere with instruction and learning in the Weiser School District. Making good choices, healthy choices and promoting mutual respect are emphasized.

Adequate Yearly Progress and Assessment : 2005-06

Did Weiser District make Adequate yearly progress for 2005-06? Yes

Percent of the 41 targets that Weiser District made: 100%

The goal in our nation is for all students in grades 3 through 8 and 10 to be proficient in reading and math by the spring of 2014. Idaho uses the Idaho Standards Achievement Test (ISAT) and the Idaho Alternate Assessment (IAA) to measure proficiency. This report shows the percentage of students who met state goals for proficiency in reading and math.
